OFFICE MEMORANDUM

Subject: Revision of rates of pension contribution payable during foreign service.  
-----

The undersigned is directed to invite attention to the rates of contribution for pension, with reference to Fundamental Rules 116 & 117, promulgated in the Resolution of the late Finance Department No. F.1(1)-R.I/37, dated the 1st December, 1938 and incorporated as Annexure to Appendix 11-A to the P.&T. Compilation of the Fundamental Rules & Supplementary Rules, Vol. II in respect of Officers other than military officers in foreign service, and to say that the President is pleased to decide that the rates of pension contribution shown in the above-mentioned Annexure will be revised as in the Annexure to this Office Memorandum, in the cases of officers other than Members of the Indian Civil Service with non-Asiatic domicile; Members of the Indian Civil Service with Asiatic domicile; and Members of the other All India and Class I Central Services with non-Asiatic domicile.

2. In the cases of Members of Class I - Group II, Class II and Class III Central Services and Class IV employees referred to in columns 3-6 of the annexure, the "maximum monthly pay" for the purpose of applying the relevant percentage rate will be the maximum pay of the post substantively held at the time of proceeding on foreign service or the maximum pay of the higher officiating post as provided for in this Ministry's Office Memorandum No.F.1(34)-E.III(B)/64 dated 13th May, 1965, whichever may be applicable.

3. The existing rates of pension contribution do not include an element for extraordinary pension and a separate clause is included in the terms of foreign service that the foreign employer will be liable for the payment of any gratuity or pension that may be admissible under the extraordinary Pension Rules applicable to the officer, if injury is sustained or death occurs while on foreign service. As the revised rates of pension contributions mentioned in the annexure include an element for the grant of extraordinary pension also, the liability for the same will, in future, fall on the Government of India and there will be no necessity to include a separate clause in the foreign service terms to indicate the foreign employer's liability in this respect.

4. The revised rates will take effect from 1.4.1967 and pension contributions in respect of Government servants in foreign service on that date will be recovered at the revised rates on the pay admissible to such Government servants for the month of April, 1967 onwards.
