OFFICE MEMORANDUM

Subject:- Transfer of Central Government employees to other Governments, Departments, Companies, Corporations, etc.

...-.-

The undersigned is directed to invite a reference to this Ministry's Office Memorandum No. F. 10(24)-Est. III/60 dated the 4th May, 1961, on the subject noted above and to say that a question has been raised whether the application of the restriction of pay below the minimum of the scale of pay of the deputation post envisaged in para 3 of the Office Memorandum referred to above is to be watched by the borrowing authority or by the lending authority.

2. This question has been considered carefully and it has been decided that the deputing authority should watch that an officer on deputation does not get an abnormal increase in pay on account of the deputation and should also decide the manner in which pay on deputation should be restricted. In the case of original deputation the exercise of such watch is not difficult. The lending authority can indicate the pay to be given. But difficulty will arise when a person already on deputation is promoted to another post by the borrowing authority. In such cases

the borrowing authority should obtain the concurrence of the lending authority prior to the promotion so that the latter may decide how pay in the higher post should be regulated.

3. In so far as the employees of the Indian Audit and Accounts Departments are concerned these orders have been issued in consultation with the Comptroller and Auditor General of India.
